# BENDIGO FRAMED

*Showcasing Bendigo's Film Scene*

Bendigo Framed Festival 08

Bendigo Film Society is holding its second Framed Festival in late May 08 and we are looking for Central Victorian filmmakers to enter. Our callout for entries will be in Feb next year, but we are letting the filmmaking community know that we are keen to have entries from La Trobe and BRIT students and graduates as well as the general community. We want your students, colleagues and yourselves to be a part of it.

The festival runs as a showcase of entrants' work, with this years' program including a film/performance afternoon (VJ sets, animation and dance performances). We are open to entries ranging from documentaries, short films to animation and experimental works. The aim is to show the public what is happening in Bendigo's filmmaking community.

For more information about the festival or BFS, or if you would like to talk more about how we can work together:

or Elly on 0400 791 457

I'm keen to work with organisations to improve the festival so by all means contact me. Thanks!
